The Early Career Academic

NECTAR

March 2018

Why do Early Career Academics need Career Development and Mentoring? »

ANU has the goal to ensure every student and staff of ANU will have access to mentoring. The inaugural ANU NECTAR Mentoring Program aims to deliver career-development mentoring for Early Career Academic staff to enhance their competence, collegiality and connectedness.

Register on [Eventbrite](#) by 1 April.

Ask Brian together with NECTAR» Wednesday, 25 July

Do we - the Early Career Academics - have burning questions for VC Brian Schmidt?

You bet!

Every year the Early Career Academic network - NECTAR - meet with the ANU Executive to ask with a powerful collective voice!

Save the date!

ANU Grand Challenges Social Lunch »

**Friday, 6 April – 12 pm
Fellows Café**

Thinking about participating in the ANU Grand Challenges 2018? Come and join other ECAs for a Social Lunch and talk all things Grand! RSVP please.

Introducing the new NECTAR logo

»

NECTAR is excited to present the new NECTAR logo!

The new logo has been approved by the NECTAR Custodians. However, if you have any major concerns re the logo, please let us know.

Welcome to NECTAR!

Welcome Hannah, who has just joined NECTAR's growing team!

Over the last five years, Hannah Birke has worked as a postdoc at CSIRO and ANU – so she knows about challenges facing ECAs. In her new role, she hopes to be able to give back some of the support she received as a postdoc.

Leadership and Management Workshops »

Project Management, Influencing and Persuasion Skills, Leadership Skills... Check out what the Centre of Continuing Education has to offer in 2018!

Science Pathways 2018 » Australian Academy of Science EMCR Conference in Brisbane – 23 & 24 April

Are you passionate about your future scientific career in Australia?

This meeting aims to engage Australia's early- and mid-career researchers across all disciplines and from around the country in active discussion. The forum wants to learn more about the specific challenges EMCRs face and devise some possible solutions. Have your say!

Join the NECTAR Custodians » Next meeting 4 April

ANU NECTAR is a forum of Early Career Academics who aim to lead programs and proposals to enhance the experience and development of Early Career Academics of ANU.

We meet regularly to discuss issues and share ideas. Are you an Early Career Academic? Would you like to help shape or drive Early Career Academic experience at ANU?
