

February 2019

ANU NECTAR Mentoring Program 2019-2020 »

We have found that mentoring is often a "game changing" experience for early-career academics. For more information go to nectar.anu.edu.au/mentoring or come to one of the information sessions (no RSVP required):

- Thu 21 February, 11–11.30am, Jan Anderson Seminar Room, RN Robertson Building 46
- Mon 25 February, 10–10.30am, Fred Gruen Seminar Room, HW Arndt Building 25A

*Applications to participate as a Mentee close 3 March 2019. Limited placements available, eligibility criteria apply.

Carers' career development assistance fund – Round 1 2019 now open »

Applications close 22 March

The CCDAF supports staff with caring responsibilities who require support to participate in significant national or international conferences, workshops or symposia that contribute to their careers with now up to \$2,000.

2019 L'Oréal-UNESCO For Women in Science Fellowships » Applications close 4 March

Will you be the next Australian or New Zealand Fellow?

This year, five For Women in Science Fellowships worth \$25,000 will be awarded.

Research to Impact »

13 March – 1 May

Canberra Innovation Network

Increase impact of your research and industry engagement using entrepreneurial methods.

These free four half-day workshops offered by CBRIN will help you to take your idea out of the lab, engage with industry and find new opportunities.

Non-traditional Research Outputs (NTROs) »

**Thursday 21 February, 10–11.30am
Sir Roland Wilson Building, ANU**

What are non-traditional research outputs? Where do they sit within research funding, reporting and assessment?

Come along to this session and learn all about NTROs.

Building successful partnerships for policy-relevant research »

**Offered 4 times in 2019
Workspace365, Sydney**

Research conducted with policy partners can have a greater chance of impacting on policies, programs and services.

Learn how to build these partnerships and how to manage and sustain them.

Expert Connect by Data61 »

Hoping to connect with industry? Expert Connect is designed to boost industry-researcher collaboration. The platform delivers a publicly searchable database of Australia's research expertise, with more than 60,000 expert profiles from over 220 research organisations.
